

FCNP MISSION

Local nonprofits partnering to connect with the Forsyth County community.

WELCOME

Welcome to the Forsyth County Nonprofit Partnership (FCNP) guide. Get to know your nonprofit community – whether newcomer or native. This guide will help you learn and connect with 12 amazing organizations in the county.

ABOUT US

In 2018, the Cumming-Forsyth County Chamber of Commerce started the nonprofit roundtable. The roundtable is a joint effort by local nonprofits to share issues and concerns and to work collaboratively to serve our community.

*“You make a living by what you get.
You make a life by what you give.”
~Winston Churchill*

VOLUNTEER

Want to serve others? Do you have a passion for giving back? Volunteering may be a perfect fit for you.

Volunteering is a way to make new friends, learn about your community, and support your fellow neighbor. Nonprofits could not survive without volunteers. Volunteers are the heart and soul of a nonprofit, and it is the time and talent they give that keep the organization going.

Find one that matches your passion, interests, and talents. Serve with your family, friends, or by yourself.

You Are Needed! Get out there and find your passion. All FCNP organizations accept volunteers and donations. Please visit websites for more details.
