

MY SISTER'S PLACE

A SAFE HAVEN FOR A FRESH START

My Sister's Place is a non-profit shelter for **single** women and mothers with children experiencing homelessness. Although we are a shelter, we **first** strive to be a Christ-centered loving home. We provide our residents with a nurturing home, transportation assistance, nutritious meals and other basic necessities. Our goal is to help those we serve overcome the obstacles that led to their previously unstable living situations by providing the tools and resources needed to regain their independence.

OUR PROGRAM

Goal setting, budgeting and wellness are hallmarks of our 90-day program. Additionally, we attend church services as a group and have weekly bible studies and devotionals. Our program takes a whole-person approach with a goal of equipping our residents with resources and support in all facets of their lives.

When a person is seeking assistance, they should start by contacting us directly. As space is available, we set up an in-person interview to discuss the expectations of our program in-depth and to get to know the potential resident.

Qualifications for Assistance

- You are committed to making positive changes in your life in order to better your situation.
- You are a homeless single woman or homeless mother with children.
- If you are not working, you must actively be looking for employment.
- You must be drug and alcohol free - we randomly test residents.
- You are willing to abide by program rules, policies and commitment of conduct.
