family connection
OF STEPHENS COUNTY

WHO WE ARE

Our vision is for Stephens County's children to be healthy, ready to start and perform better in school, and have stable economically self-sufficient families.

Family Connection of Stephens County works closely to:

- Provide training and technical assistance to meet the needs for our community
- Build and maintain relationships with public and private agencies within our community
- Enhance public awareness, understanding, communication, and commitment to improve results for children and families
- Promote "what works" using research and evaluation practices

GET INVOLVED

There are many ways to become involved with the Family Connection of Stephens County.

Please visit our website, contact us via email or phone, or make plans to join us at a monthly collaborative meeting.
