 Cumming, Georgia 30040

AboutFace-USA® was established in 2009 and attained 501c3 nonprofit status in July of 2013. Current partners include Kennesaw State University, PathLight Behavioral Health, Cherokee County Homeless Veterans Program, Sweetwater Urban Farms, Healing Garden World, and Azimuth Leadership. Also partners, our Peer Specialists, both Army veterans Mike Brooks and Keegan Merritt, are on-call 5 pm - 9 pm daily and lead bi-monthly Support Group meetings for veterans only.

Discover more about our programs at  
<https://www.aboutface-usa.org/programs>

Our mission is to create an environment for veterans and others to work on whole-health wellness and to address the psychological aftereffects of trauma. We encourage and empower veterans and their family members to turn their lives around for the better using behavioral health activities.

Community businesses, and social and civic organizations are encouraged to engage with and support AboutFace-USA so that veterans and their family members can get the help they need, want, and deserve.
