

## We Learn from Each Other

*We accept each other for our own unique individual contributions while providing a caring environment where people with disabilities can feel safe and connected.*

With a long history of exceptional services, our staff members – the heart of our operations – are well trained and passionate about their talents and gifts they share with those we serve.

## Programs with Opportunities to Learn

**Functional Academics Integrating Daily Living Skills** with a strong emphasis on real-life applications; making classroom experiences engaging and interactive to reinforce skills that help people become more self-reliant. These classes include money management, cooking, hygiene, and housekeeping skills.

**the Arts** utilizes sensory and therapeutic processes that help expose us to a world of cultural experiences such as music appreciation & dance to painting, sculpting, folk art design, and more.

**Fitness Is Fun** helps create a healthy & balanced lifestyle tailored to individual needs that improve physical & mental health to support daily living activities and independence.

**Employment Programs** are on site for job skills training providing a safe work setting while earning a paycheck, and in the community with a job coach assisting to obtain employment earning competitive wages.

**Horticulture Programs** allow individuals to learn the responsibility & satisfaction of growing & nurturing plants while experiencing play-in-the-dirt fun first hand.

**Classrooms Without Walls** helps individuals learn about the world around us; from restaurant outings, to visiting museums, theaters, parks, and libraries, to social gatherings, and even volunteering within our own communities.
