We Serve

Dawsonville Lions Club

The Dawsonville Lions Club has been serving our community since 1953. Our mission as Lions is to create and foster a spirit of understanding among all members for humanitarian needs.

This is achieved by providing financial support and voluntary services to citizens and organizations of Dawson County.

Want to learn more about becoming a Lion or how we serve our community? Visit our website for upcoming events and meeting dates.

Free Vision Screening

The Dawsonville Lions Club

Is providing free vision screenings to schools, daycares, churches, and other civic organizations in our community using the latest in infrared light vision screening technology to detect prevalent vision disorders.
