

Summit Therapeutics, LLC

Applied Behavior Analysis & Therapy

Currently offering in-home Applied Behavior Analysis (ABA) therapy to children with autism and their families in Northeast Georgia, including:

Fannin, Towns, Union, White, Rabun, Lumpkin, Hall, Habersham,
Dawson

Patient must have a diagnosis of Autism Spectrum Disorder

ABA therapy is considered one of the most effective treatments for children with autism spectrum disorder and other developmental disabilities. ABA can help your child to increase desired behaviors and decrease undesired behaviors. ABA can help children with:

- Verbal and non-verbal communication
- Play skills
- Joint Attention
- Self-help skills
- Social skills
- Disruptive behavior
