## Advocacy

English and Spanish speaking advocates help survivors process feelings and/or concerns in a confidential setting.

Advocates can assist with court accompaniment, housing, food etc.

## SANE Services

Trained nurses provide forensic medical exams at our facility with advocates present to provide support. You **do not** have to file a police report to access SANE services

## Trauma-Informed Therapy

At Bridging Hope, our therapists provide free & confidential therapy for survivors & their loved ones.

Please visit our  
website to find out  
more!

**All services are free and confidential**
