

Empowering children in need through
sustainably-sourced clothing.

CONFIDENT threads is a non-profit organization that provides seasonal clothing for children in need and foster care in Forsyth County and surrounding areas. We partner with charitable consignment sales, resale shops and local businesses to enhance their mission and sustainably shop for clothes that are both functional and fashionable. When a child is dealing with home displacement or comes into foster care, they often arrive with only the clothes on their backs. These children, who are already dealing with the disruption of their home life, now must also face the social pressures of attending a new school with this extremely limited wardrobe. Our mission is to provide each child with high quality, functional clothing that fits their personal style and empowers them along their journey. To learn more visit:
